Verse 1

Jesus Christ came down to earth,
Noble God of humble birth;
Came to set His sinful children free.
Boundless Grace and Perfect Love,
Condescended from above,
So we could have life eternally;
So we could have life eternally.

Chorus

And we sing holy, holy,
Holy the Lamb who was slain.
Glory and honor and laud,
Be to His excellent name.

And jubilant praise without ceasing,
Be to the blessed I AM,
Merciful, beautiful Savior,
Jesus, the Innocent Lamb.

Verse 2

Redemption through His blood alone,
Was required to atone,
Though we stood defenseless in our plea.
Jesus Christ, the Lord of Life,
Made the greatest sacrifice,
When He paid our price at Calvary;
When He paid our price at Calvary.

Verse 3

And now our perfect, living Lord,
Reigns with God forevermore,
Bearing witness to our cancelled sin.
Granting access to the throne,
Gained through Christ, and Christ alone,
As we now claim victory through Him;
As we now claim victory through Him.

Chorus

And we sing holy, holy,
Holy the Lamb who was slain.
Glory and honor and laud,
Be to His excellent name.

And jubilant praise without ceasing,
Be to the blessed I AM,
Merciful, beautiful Savior,
Jesus, the Innocent Lamb.
