Verse 1

Sov'reign Lord, You have called us to this place,
and we are here, together now, only by Your grace.

We hold firm and, by faith, grow stronger still,
as we, renewed in righteousness, seek to do Your will.

Chorus

In unity we each have made our choice
To be a light amid this present darkness.
Together, one body with one voice,
We will preach God's holy Word
To a desp'rate, dying world.
We are here to seek and save the lost,
No matter, no matter the cost!

Verse 2

So now we stand; You have called us to defend
The saving grace You offer us, 'til our dying breath.

Through this faith, our hope is found in You.
Our great desire: to show the world Your promises are true.

Chorus

In unity we each have made our choice
To be a light amid this present darkness.
Together, one body with one voice,
We will preach God's holy Word
To a desp'rate, dying world.
We are here to seek and save the lost,
No matter, no matter the cost!

Verse 3

In faith we live, as Your Holy Spirit moves;
We're choosing lives of sacrifice, walking in Your Truth.
We give our lives as a thankful offering.
And, from today and evermore, in gratitude we sing.

Chorus

In unity we each have made our choice
To be a light amid this present darkness.
Together, one body with one voice,
We will preach God's holy Word
To a desp'rate, dying world.
We are here to seek and save the lost,
No matter, no matter the cost!
